

Certificate of Compliance

Based on the results noted in the Report on Compliance (“ROC”) dated on the audit dated 1st of april 2017, *Fortytwo security BV* asserts that Yoyyo Business LTD (PaynetEasy Group) has been found to be compliant as a service provider with the **Payment Card Industry Data Security Standard 3.2**

Awarded to
Yoyyo Business LTD (PaynetEasy Group)

Conditions:

- 1.) This document indicates that the mentioned Service Provider was assessed for compliance with the PCI DSS 3.1 in effect as of the described validation date. This certificate covers a one year period beginning from the Report On Compliance validation date.
- 2.) The Service provider has a continuous responsibility to maintain compliance with the PCI DSS. Fortytwo’s Report on Compliance represents the Service Provider’s compliance on the date mentioned. It should not be taken as evidence for compliance on any date, or period of time other than the Report on compliance validation date.
- 4.) The information in this document is provided “as is”, without warranties of any kind. PCI DSS Compliance validation should not be taken as a guarantee or assurance that a service provider is invulnerable to an attack or compromise. In no event shall Fortytwo B.V be liable to any third party in the event of loss or damage caused by any failure or breach of Yoyyo Business LTD systems or applications.

PCI QSA, Sven Brouwer
